Brief Completion Report of the Awareness Programme on Human Rights (10/12/2021)

An Awareness programme on Human Rights in the occasion of celebrating the Universal Human Rights Day on 10th December, 2021, Friday at 1.00 PM, is arranged jointly by the NCC and NSS unit of our college for imparting the various scopes and meaning of the human rights to our students. As it has been found that most of our students are coming from first generation background this programme has a tremendous impact on them and for the institution also. In this programme students were informed not only on their rights but also about their duties for their society. Almost 80 students (including NCC and NSS volunteers) attend this programme of different subjects. Teachers of various departments have highlighted on various issues to motivate them related to their course of study.
