MANAGEMENT OF VARIOUS TYPES OF DEGRADABLE AND NON- DEGRADABLE WASTE

Session- 2021-2022

Management of Various types of Degradable and Non- degradable waste:

Karimpur Pannadevi College has an efficient system of sorting different waste materials with respect to disposal into separate dustbins. The college has neatly labelled dustbins for all sorts of non-degradable and degradable wastes. The proper placement of those waste disposal bins is assured by the Eco Club Sub-committee of our college. Here are the pictorial representations of them given below: -

Introduction

Karimpur Pannadevi College is one of the fewest green campuses you can find in our state, West Bengal. When you enter through the gates of this college, trees and lushes of greenery will welcome you. Our college has a dedicated team who took the responsibilities upon their shoulders to plant more trees and maintain the green ambience of this college. They are known as the Eco Club. In recent years, this team has worked hard to protect the environment and spread awareness among others. Here are the Initiatives taken by the college to keep the campus green: -

Brief Completion Report of the Awareness programme on Protection of Environment organized by the Eco club (05.06.2022, Sunday, at 12.00 pm at through online mode)

Like the last year our Eco club have successfully arranged an online Awareness Programme on Environment Protection in honour of Environment Day, 5th June, 2022 Sunday at 12.00 pm through online mode. For the first time this programme was organized by the students alone. They have presented their various activities, their innovative ideas to protect the environment and above all the future plan of their Eco club to maintain ecological balance in the college campus. They also focussed what we should do for implementing the idea of 'Reduce, Reuse and Recycle' effectively. Joint convenors of the cell Iftikar Rahaman, Assistant Professor , Department of Zoology and Sri Bipul Sarkar , Assistant professor , department of Botany conducted the whole programme. All the volunteers of the cell have participated in the Google meet. The programme was also streaming in Youtube. The participants have also taken an oath at last to protect the environment. Hope this programme will surely move them another step of their objective of Go Green.
