## Brief History of the College

Karimpur is geographically located at the borderline between Nadia and Murshidabad and it is also very near to our neighboring country Bangladesh. So the place has its own socio-political and cultural importance from the very beginning. On 4<sup>th</sup> August, 1968 as a 'Home of Higher Education' Karimpur Pannadevi College was established to cater higher education to the people of Karimpur and its vast locality, particularly for the students belonging to the poor and middle class families who cannot afford to go far off places for meeting the demand of higher education. The establishment of the College was possible with the indomitable zeal of Dr. Nalinaksha Sanyal, an illustrious son of the soil and the donation made by Sri Durga Prasad Agarwala, and the College was named after his wife Pannadevi Agarwala. Patrons of education from all spheres of the society supported wholeheartedly towards the foundation of the College, either by contributing cash or by donating land. The College initially started functioning in Karimpur Jagannath High School in the morning shift and later shifted to its own buildings in January 1970.

The College has now a three-storied building measuring about 40,000 sq.ft., having a campus of about 7 acres. Presently the College offers education to around 4,000 students of Arts, Science and Commerce streams. Students come from different corners of the locality. The college has its well furnished spacious Guest House and Womens' Hostel ready for the students.
