I feel very glad to inform that the IQAC of our college have successfully conducted an International webinar on “ **Understanding Educational Challenges, Opportunities, Students’ Mind Under Pandemic : A Road Ahead,”- held on 12nd July , 2020.** The theme of the webinar was very relevant under this unnerving situation when our students are in crossroads on the way of their higher studies. Erudite resource persons from different educational institutions, India and abroad have joined in this webinar to make it more fruitful. Three renowned teachers from Jahangirnagar University, Bangladesh have wonderfully explored their views on Digital Learning and Digital Divide Debate. It creates an opportunity to compare the educational challenges which are facing by the students of our state and abroad. Swami Kamalsthanandaji Maharaj, Principal, Ramakrishna Mission Vivekananda Centenary College presented the history of pandemic from the ages of human civilization briefly and also the challenges emerged under this condition. The growing concern on students’ Mind and their mental health was discussed by the journalist of Anandabazar Patrika (West Bengal), Sri Debasis Bandhyopadhyay. The number of registered participants in the webinar was 432. Almost 150 participants were from abroad. Not only the students, scholars, teachers and other officials from differed reputed educational institutions have registered for the webinar. At the end of the webinar resource persons provide their valuable answers against the questions of their deliberations.
