

- Attend one question out of two :

1. Write an imaginary conversation about covid protocols one have to maintain in the time of Lockdown.

2. Write a Preeis of the following paragnaph :

The world is like a looking glass; if you smile, it smiles, if you frown, it frowns back. If you look at it through a red glass, all seems red and rosy; if through a blue, all blue; if through a smoked one, all dull and dingy. Always try then to look at the bright side of things. There are some persons whose smiles whose very presence seems like a ray of sunshine and brightens the whole room. Greet everybody with a bright smile, kind words and a pleasant welcome. It is not enough to love those who are near and dear to us. we must show that we do that. while enjoying the blessings of life, we cannot expect to have no sorrows or anxieties. Life is indeed a tragedy at times, and comedy very often, but as a rule it is what we choose to make it.
